THE SPECIAL EDITION MARSUPIA

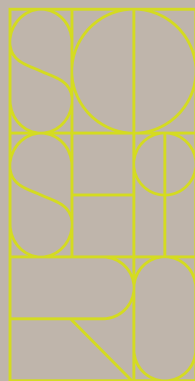

The Marsupia is a special garment of which there is none of its kind. It is essentially a hybrid between a cloak and a blanket. I like to describe it as a blanket with a pocket.

Made out of 100% baby camel hair, this Special Edition Marsupia's outside pocket is studded with a mix of shining gems clustered together to form the shape of a necklace – a truly elegant piece.

Material(s)	100% baby Camel wool adorned with hand stitched mix of shining gems
Finishes / colour	Natural camel colour and a mix of shining gems
Dimensions	L 210cm W 150cm
RRP	£6,025.00 (Exc. VAT)
